In re:

Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Network Telephone Corporation Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996

Docket No. 02-00505

PETITION FOR APPROVAL OF THE AMENDMENT TO THE INTERCONNECTION AGREEMENT NEGOTIATED BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC. AND NETWORK TELEPHONE CORPORATION PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, Network Telephone Corporation ("Network Telephone") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated May 17, 2001 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Network Telephone and BellSouth state the following:

- 1. Network Telephone and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Network Telephone. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on September 25, 2001.
- 2. The parties have recently negotiated an Amendment to the Agreement.

 The Amendment adds Unbundled Network Port Element with Remote Call Forwarding capability. A copy of the Amendment is attached hereto and incorporated herein by reference.

- 3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Network Telephone and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties are authorized to submit the Amendment to the TRA for approval.
- 4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Network Telephone within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.
- 5. Network Telephone and BellSouth aver that the Amendment is consistent with the standards for approval.
- 6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Network Telephone and Bell\$outh respectfully request that the TRA approve the Amendment negotiated between the parties.

This 201 day of 3, 2002.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.

- As an option, BellSouth shall make available to Network Telephone Corporation, Inc. (Network Telephone) an unbundled port with Remote Call Forwarding capability ("URCF service").
